INTERIM ASSOCIATE PRIEST

All Saints with Holy Trinity Loughborough (Intercultural Worshipping Community)

We are looking for an interculturally literate priest to join our ministry team and play a key role in helping us develop as an Intercultural Worshipping Community (IWC). IWCs are missional church communities where people from different cultural and ethnic heritage deliberately interact with one another in order to deepen their understanding and experience of God and each other. We have embarked on this journey as part of our wider commitment to being an Inclusive Church.

All Saints sits within the liturgical and sacramental tradition of the Church of England serving two of the poorest wards within Loughborough with a congregation drawn from across the town. The associate priest will play a full part in the worshipping life of the church with a particular focus on congregational development and intercultural mission. This is a 3-year, fixed term, interim role to help us at this key stage in our journey.

If you:

- have a passion for intercultural mission and share our vision of growing a culturally and ethnically diverse church
- are able to help others grow in their vocation and discipleship
- have experience of working cross culturally
- understand something of the barriers that global majority Christians encounter

then we would love to hear from you. This role is part of our active Diocesan strategy to reflect better the communities which our Diocese serves.
